A WARNING TO PROSPECTIVE CLIENTS

CONSUMER PROTECTION ADVISORY

If you are considering hiring Deepanshu Giri or Lunar Astro, ask yourself:

- ? *Why does a 'world-class astrologer' need a troll farm to attack his critics?*
- ? *Why does he need to purchase fake reviews and bot engagement?*
- ? *Why does he resort to criminal intimidation when his medical claims are questioned?*

A legitimate business does not operate like a cybercrime syndicate.

REPORT CYBERCRIME

ACTIONABLE STEPS FOR VICTIMS

If you have been targeted by the Lunar Astro troll farm:

1. DO NOT engage or reply.

2. Screenshot everything (include URLs and timestamps).

3. Report to cybercrime.gov.in (India) or ReportCyber (Australia).

4. Report the profiles to Facebook/Meta for coordinated inauthentic behavior.

You are not alone. The network is being dismantled.
